

WHAT IS A VTUBER?

Vtubers or virtual streamers are online entertainers who use virtual avatars generated with computer graphics and real-time motion capture software or technology!

We would love to hear from you!

@yugen

ARE YOU READY TO BECOME
A STAR?

Who Are We?

YuGEN is a talent agency for virtual streamers also known as VTubers, a phenomenon that started in Japan which is now blooming all over the world and is expected to grow even more in the next incoming years.

We are a medium size company currently based in the US with future plans of expanding to other countries.

OUR SERVICES:

We offer a wide variety of services to help you in your content creation journey! Our mission is to give our talented creators a safe space to fully boost their potential and creativeness, while also providing opportunities to reach their goals.

- » Talent management
 - » Support
 - » Advice
- » Outreach services
 - » And more!

REQUIREMENTS:

- Be 18 years old or older
- Be able to speak english fluently
- Be able to create content 3 times per week
- Be energetic and have fun!

If you would like to audition, make a 5 minute video introducing yourself while in character, and send it to our email address.

We can also help you with things such as:

- » Illustration
- » Animation
- » Design
- » Music mixing
- » Scripts
